1 Year Membership

Membership involves a commitment from myself to meet a full year's membership. If I cancel my Direct Debit during 12 months from signing this contract, the monthly fees for the outstanding times are due immediately. At the end of this period only I will have the option of resigning membership by giving at least one month's notice (in which case the contract will terminate) or entering another membership arrangement (if then available) or revert to normal annual membership conditions and fees.

I understand that a 1 year membership agreement cannot be cancelled, suspended transferred or downgraded to a cheaper membership during the 12 month period. Thorney Park Golf Limited may at its sole discretion allow suspension and deferment of payment for the balance of a membership year where accident or illness prevent me using the club
